Defense Hotline
Office of Inspector General
U.S. Department of Defense
The Office of Inspector General provides oversight of DoD operations in Iraq and Afghanistan. In an effort to increase the ability of our military, contractors, and civilians in the Southwest Asia region to report allegations of fraud, waste, and abuse, the Department of Defense Inspector General has established a special toll-free Defense Hotline number: 1-877-363-3348.

It is important to the DoD IG to ensure that all personnel in the Southwest Asia region have an easy and cost free means to report allegations to the Defense Hotline.

**About the Hotline**
The Defense Hotline provides the military, Defense contractors, and civilians with a confidential means of reporting suspicious activity concerning fraud, waste, abuse, and employee or management misconduct.

**Who Operates the Hotline?**
The Office of the Inspector General manages the Defense Hotline. Calls are taken by highly skilled and trained investigators with professional expertise in the areas of audit, contracts, security, inspections, and criminal investigations.

**Who Should Call?**
DoD civilian and military personnel, Defense contractor employees, as well as private citizens.

**When Should You Call?**
Disclosure should be made as soon as information is available. Telephone lines are open Monday-Friday from 8 a.m. to 5 p.m. Eastern Standard Time. Voice mail with instructions are available after hours.

**What You Should Expect**
A thorough interview by the Hotline investigator. You will be asked to provide information that will help the investigator piece together the facts of the situation (who, what, when, where, and why) and assess the estimated dollar loss to the government. An evaluation of your complaint will be made to determine if an investigation is warranted or if you need to refer the matter to other authorities. Your call will be handled with confidentiality and you may remain anonymous. Anyone making a report to the Hotline will be protected from reprisal. You may call back to the Hotline to learn how your report was handled.
